b. Briefly discussed his conversation with the Director of the Bureau of the Budget on 6 December and noted that the DD/S (who was present most of the time) had prepared a Memorandum for the Record. The Director said, among other things, that Mr. Stans had requested we reduce personnel by 1% in FY 59 and 2% in FY 60. The Director went on to say that while he had made no commitment, he had agreed to make every effort possible to meet these requirements and, further, had undertaken to advise Mr. Stans if we could not do so. Any monetary saving resulting from these reductions will go to the CIA reserve.

GENERAL CABELL:

Noted a Memorandum for the Record prepared as a result of recent conversations between representatives of CIA [redacted] and [redacted] suggested that the agreement reached be reviewed and ratified by the members of USIB. After some discussion, it was agreed that the Chief, [redacted] would make an oral report on these agreements to the Special Intelligence Subcommittee of USIB.
